

Hikes at the Gap

Pennsylvania (Mt. Minsi)

1. Appalachian Trail South to Mt. Minsi (white blaze)

2. Table Rock Spur

This 1/4-mile spur branches off the right of the Fire Road (Hike 3) at a point 4/10-mile uphill from Lake Lenape. The spur parallels a creek and turns right to an outcrop. An unblazed trail at the left leads back down to Lake Lenape.

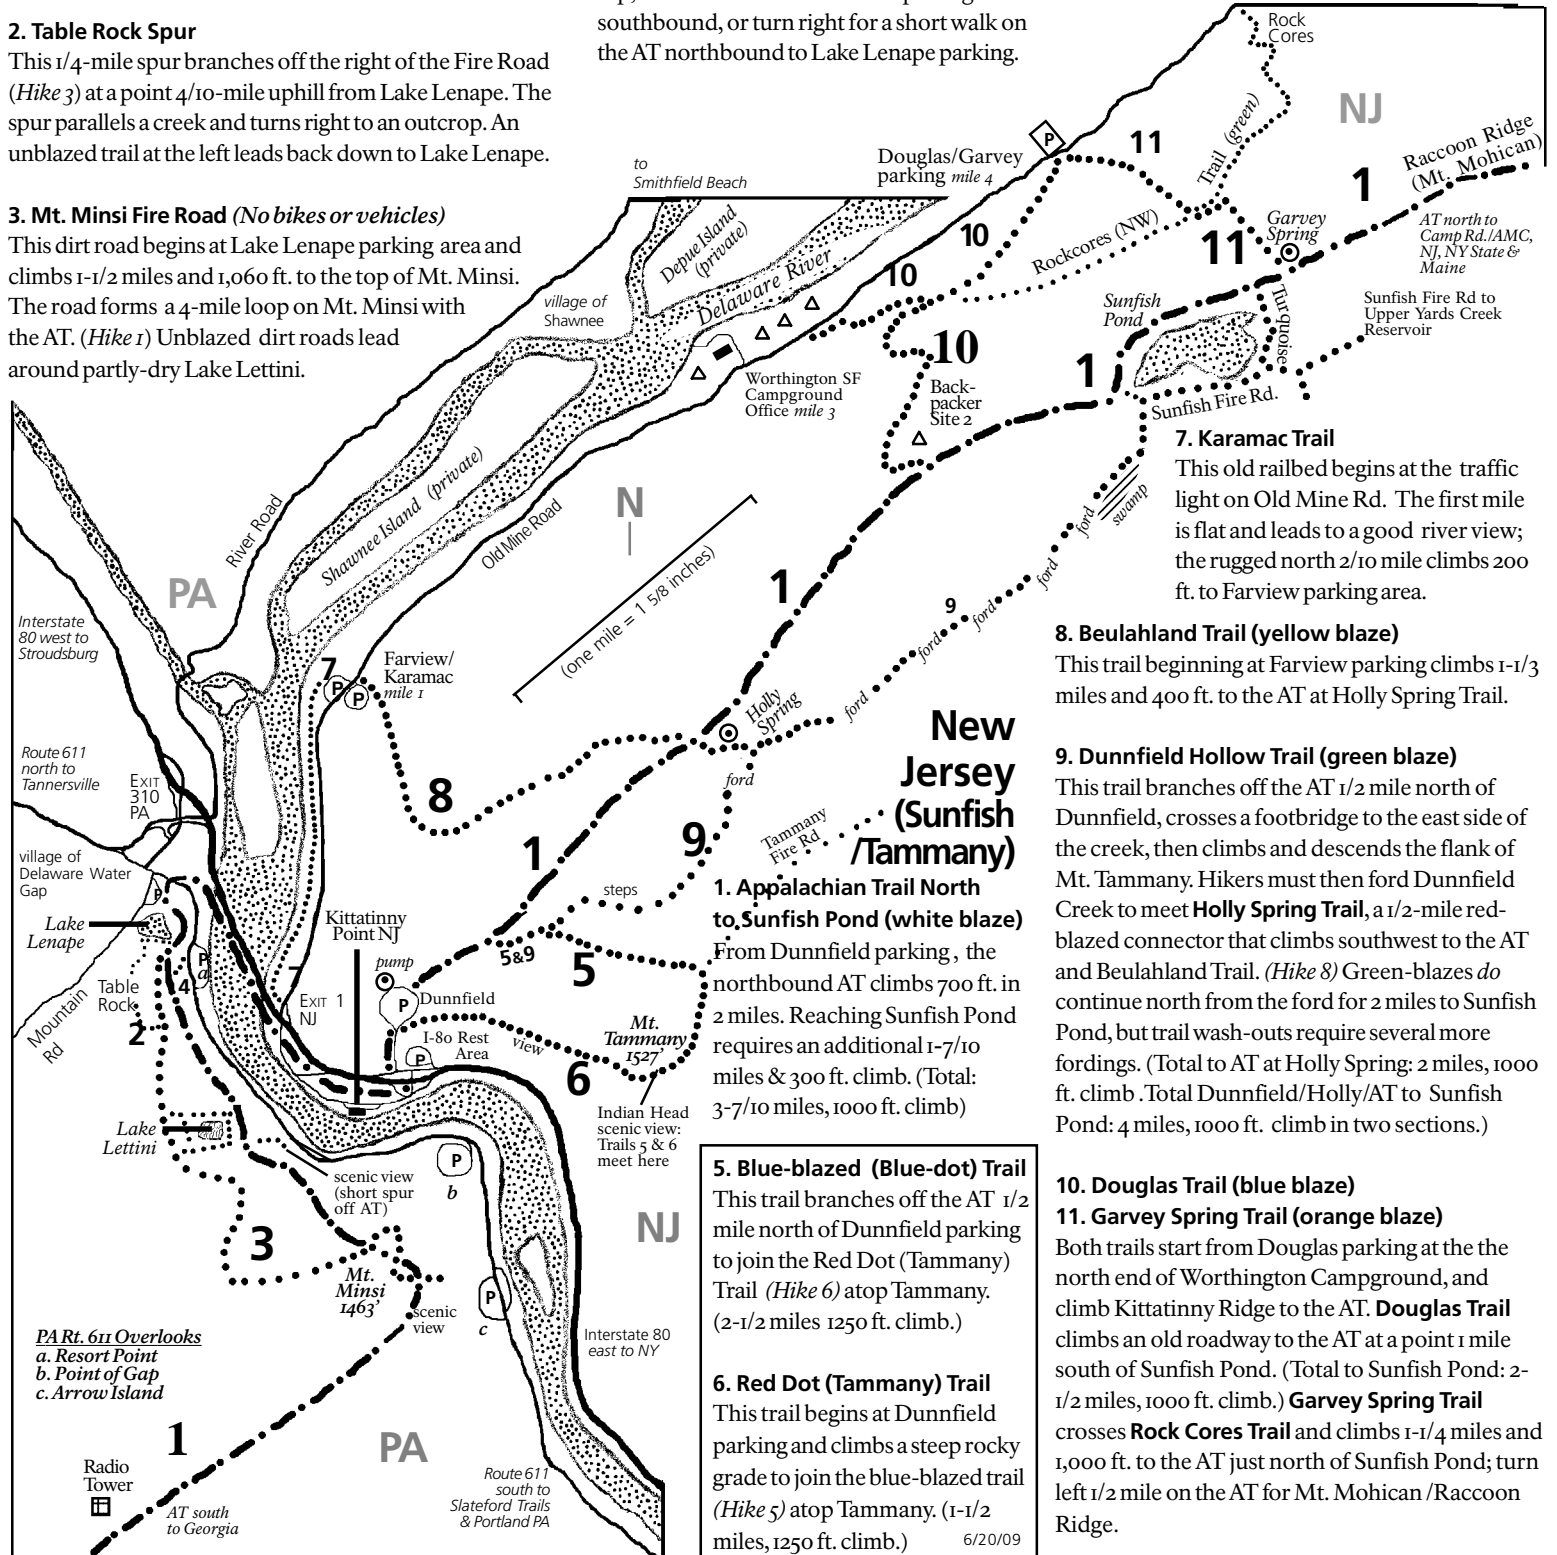

3. Mt. Minsi Fire Road (No bikes or vehicles)

This dirt road begins at Lake Lenape parking area and climbs 1-1/2 miles and 1,060 ft. to the top of Mt. Minsi. The road forms a 4-mile loop on Mt. Minsi with the AT. (Hike 1) Unblazed dirt roads lead around partly-dry Lake Lettini.

4. Resort Point Spur to Appalachian Trail

This 1/4-mile blue-blazed trail begins across Route 611 from Resort Point Overlook (Cross carefully!) and climbs up to Lake Lenape along a stream that once ran through the basement of Kittatinny Hotel. (Look in the parking area for the round base of the hotel's fountain.) At the top, turn left for views of the Gap along the AT southbound, or turn right for a short walk on the AT northbound to Lake Lenape parking.

To Mt. Minsi PA from Kittatinny Point NJ: Turn right out of the visitor center parking lot. Follow signs to Interstate 80 west over the river (Toll), staying to the right. Take PA Exit 310 just after the toll. Follow signs to Rt. 611 south, turn right at the light at the end of the ramp; turn left at the next light in the village; turn right 300 yards later at Deerhead Inn onto Mountain Rd. About 0.1 mile later turn left onto a paved road with an Appalachian Trail (AT) marker to the parking area.
